# BROKERAGE SESSION

The 5th March Sevilla PRIMA Event brokerage session has been organized with the objective of connecting potential partners for open and forthcoming calls, as well as to give the coordinators the opportunity to contact the National Contact Points of Spain.

## Programme

**12:30    Presentations**

- "PRIMA Opportunities for SMEs", Cristina Cabeza, Responsible of Agrofood sector, and Leonor Camacho, Responsible of Environment sector.  Andalusian Agency of Knowledge, Spain
- Potential PRIMA partner: José Manuel Roldan, Vice-President,Research and Innovation, Euro-Mediterranean University of Fes, Morocco
- Potential PRIMA partner: Vicente Sousa, University of Trás-os-Montes and Alto Douro (UTAD), Portugal
- Potential PRIMA partner: Rebeca Vidal,  Research Manager in Arsinguer, Spain

**13:00    Calls, partners and projects: Interviews between potential partners**

The potential partners interviews will be arranged by the University of Sevilla International Projects Office (OGPI) according to the interests indicated in the registration form. You will be informed of time, place, persons and entities of the interviews in the registration desk.

### NCPs interviews

If you are coordinator of a project proposal and want to have an interview with the Spanish NCPs (Marta Conde, CDTI, and Jesús Escudero, INIA), please fill up the form available in: http://www.internacional.us.es/webform/ncp-interview-form.

Interviews will be arranged by the NCPs depending on time, interest and state of the proposal. If you are selected, you will be informed of the time and place in the registration desk. If you are not selected, you will have the chance to contact the NCPs and ask them any question during the other event sessions.

**14:00    Networking lunch**

During lunch you will have the chance to consolidate your new contacts and ask question to NCPs and other entities of your interest.

Specific halls for spontaneous networking sessions will be available throughout the event. Please, contact our staff to use them.
