- For Type B-D applicants must apply through Study@SJTU (<http://isc.sjtu.edu.cn>).

Internationalization

Summer semester

Time

June – August

Courses Structure

Natural Sciences & Engineering

Social Sciences & Humanities

Chinese Cultural Experience courses

Summer schools

Totally 10-15 international summer schools

Exchange programs

- More and more Graduate students in SJTU join “Study Overseas Programs” for Dual-degree-seeking, Short-term exchange , Summer schools and Overseas internship.

International Academic Forum

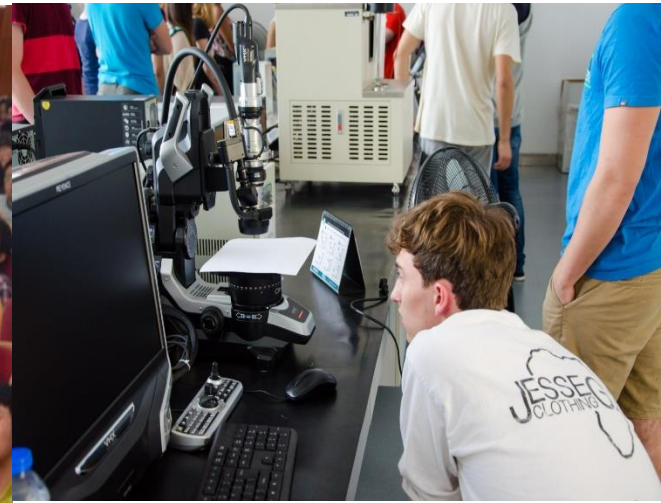

- We yearly invited dozen international politicians and scientists (e.g. Nobel\ Fields\ Turin) to do speeches or Master Lectures in SJTU.
- We yearly sponsored or hosted more than ten international conferences.

Financial Support Plan on International Conferences

- Encouraging graduate students to participate in international conferences and competitions
- Financial support for graduate students to participate in international conferences.

Internationalization of Shanghai

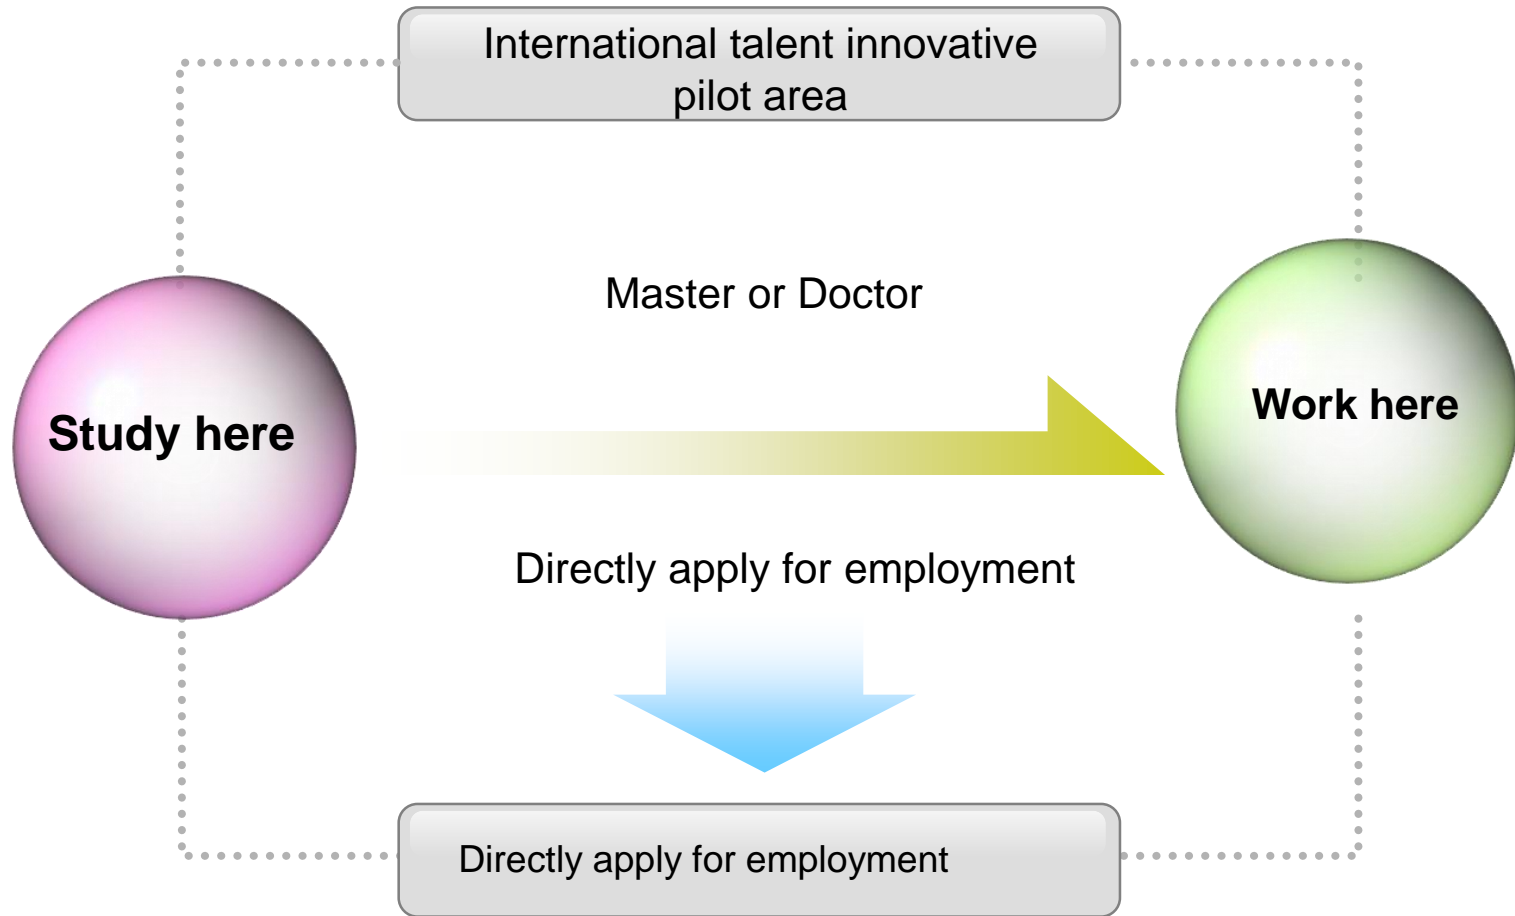

China's most international and dynamic metropolis

- ⦿ Until 2013, there are over **180,000 foreign permanent residents** in Shanghai, accounting for 1% of the city's total residents.
- ⦿ In 2013, there are over **7 million foreigners** visited Shanghai.

Pilot Project for the Stay and Work Permit of Graduated International Students in Shanghai

The international students who obtain **Master or Doctor degrees** can directly apply for employment.

Internationalization of SJTU

Internationalization is one of the important strategies for SJTU to develop rapidly into world-class universities.

1

Internationalization of student cultivation

2

Internationalization of faculty recruitment

3

Close partnerships with top foreign universities and organizations

4

International evaluation of performance of schools
