6	White in Ireland: Agricultural Internship program	agricultura, ecología, etc.	Irlanda	inglés	<p>The program has three main objectives: Language Skills: our goal is to help international candidates to improve their English language knowledge and work related language skills; Professional Skills: the Candidate will have the opportunity to learn more about Irish agriculture and farming. They will acquire valuable work experience in the chosen career and gain confidence in their ability to function in an English-speaking environment; Cultural Knowledge: the candidate will get to know Irish people both at work and socially. The participants of these programs will have the possibility to learn more about the Irish culture and the Irish way of life, sharing the every-day life and customs of an Irish farmer's family. The candidates must be positive, hardworking, outgoing and ready to learn.</p>	<p>Most farmers prefer a minimum 2 month stay but they are open to less. The best time of the year to come to Ireland for farmers is from September to November or February to May but we provide placements year round.</p>	<p>+353868684021 (tele), +3532272751 (tele Office)</p>	<p>whiteinireland@gmail.com</p>	<p>http://agriculturalinternshipireland.com/</p>	<p>The candidate will receive accommodations, meals, Laundry, and internet from the farmer if they are staying in Ireland for more than 6 weeks. Candidates who want to participate in our Agricultural programs for less than 6 weeks will need to provide financial contributions toward their meals, Laundry, and internet to the farmer as the farmers here would not receive any benefit from the short time the candidate is in Ireland. The candidate must have their own insurances and provide documents email us the policies one week prior to arrival in Ireland. The candidate may be eligible for a funding program to take part in our programs such as: Erasmus+ Programme, Local Chamber of Commerce, Local, Regional, or National Government Program, Private or Farming Organisation.</p>
